

Installation Instructions
Sportscraft Seat Swivel for VW T2/T25/T3
Part Number: 3342000

- Remove the seat from the original seat rails.
- Bore up the holes in the rear of original tracks to 8 mm.
- Place the turntable, the lever to the front, on the original tracks.
- Rotate the turntable by 45°.
- Put in the M6 square nuts into the rail in the front and the thin bar with welded M8 nuts into rear of the rail.
- Mount the turntable with the M8 screws at the rear and the M6 screws at the front to the slices.
- Place the Seat back into the tracks of the upper plate.
